Softcover

\$19.95

256 pages

7 x 10

For nearly two decades, Mary Jo's Cuisine in Oxford, Ohio stood as a landmark for food of exceptional quality and artistry.

Known for its exquisite meals and quaint—but splendid—atmosphere, Mary Jo McMillin's culinary creations were heralded by major newspapers, magazines, and professional chefs.

Though the days of restaurant goers dining at her magical cottage have come to an end, her gourmet creations certainly have not.

Making a comeback in a day when stovetop ranges and ovens are too often used merely for kitchen décor, *Mary Jo's Cuisine* restores the craft our tastebuds can't afford to lose. Now you, too, can be a guest at Mary Jo's table.

While most current cookbooks present ghost-written, celebrity-chef-driven publicity, Mary Jo sticks to what she knows best—creating splendor on her own.

Sharing carefully tested—and tasted—recipes featuring seasonal produce, because fresh is always best, she takes her readers on a delightful trip back in time to when bread wasn't labeled with Wonder® and soup didn't come in a can.

Anyone seeking a stunning butternut squash soup, a succulent braised beef, or the perfect bread pudding will find treasures among the 100 dishes restaurant patrons kept coming back for.

With vignettes of restaurant woes and delights interspersed throughout the book, *Mary Jo's Cuisine* is truly a wonderful read and an easy-to-use cooking guide. The book is a must-have for both culinary professionals and amateurs alike.

If you missed the restaurant, don't you dare let your taste buds miss out on this!
